

## St John Paul II Classical School UNIFORM POLICY

**Philosophy:** Our school patron, St. John Paul II, left us with a beautiful work, entitled *Theology of the Body*. In this he stated, “The body, in fact, and only the body, is capable of making visible what is invisible: the spiritual and the divine.” Thus, at St. John Paul II Classical School, we aim to reflect this ideal in our uniform policy.

**Our purpose in establishing a uniform policy is threefold:**

1. The school uniform helps distinguish our students.
2. The school uniform reflects our unity of purpose.
3. The school uniform reflects our equality before the Lord, reminding us that we work as members of the Body of Christ, rather than for our own glory.

**Likewise, a uniform policy produces many advantages, both moral and spiritual:**

- A uniform policy encourages modesty, neatness, and humility, not drawing attention to the individual (1 Timothy 2: 9-10).
- A uniform policy recognizes the distinct differences between male and female students (Deuteronomy 22: 5).
- A uniform policy cultivates an atmosphere of order. Thus, the classroom becomes peaceful, polite, and focused. One’s appearance is frequently an indicator of one’s attitude toward doing well.
- A uniform policy removes temptations to judge others based on externals, to become too focused on fashion trends, or to be covetous of the clothing of classmates. (Matthew 6: 25)
- A uniform policy is cost-efficient. Our uniforms are of excellent quality and reasonably priced, so many parents find uniforms to be more cost-effective than maintaining wardrobes of “street clothes” for their children.

We hope that our students will learn to wear their uniforms with joy, while cherishing what they represent to the student body, as well as, the community at large.

**Enforcement:** Our uniform policy is intended to remind students that they have come to school for work. Students should dress in a way to demonstrate their respect for the sacredness of school. Students should be neat, clean and modest. Teachers and staff have the authority to enforce the uniform policy throughout the school. **The Headmaster has the final say on questions regarding the uniform policy, and this policy will undergo annual refinement as our school continues to blossom. Changes to the policy for a new school year will be highlighted in bold print.**

## Formal Dress Uniform

For special events, it is right that St. John Paul II students have a formal dress uniform in order to show their highest esteem for God, others, and themselves. Special events include weekly Mass, field trips, open houses, performances, and events with community members outside of the school. Students are required to have at least one set of the formal dress uniform to wear on days designated by the school administration. The formal dress uniform consists of items from the regular dress uniform, so student may wear the formal dress uniform on regular school days.

## Physical Education Uniform

Lower Grammar School students may wear their regular dress uniforms with PE Shoes for PE classes. Lower grammar school girls must remember to wear shorts underneath their skirts on PE days.

Upper Grammar School students will wear their PE uniform to school on PE days and will have the option of wearing their spring or winter uniform bottoms, depending on the season. Students will not change into PE uniforms during the school day, but will change into athletic shoes for PE. On occasion, a special event (or the School Mass schedule) may warrant students to wear their formal uniform to PE, in which case students will be allowed to modify their uniform for PE class comfort (e.g., tie removal, etc.).

**Reminder: All SJPII students will keep one pair of athletic shoes at school and change into them for PE class. As a “school within a school” we are happy to respect this request of our hosting school to protect the beautiful wooden floor in the gym.**
